## Social and Games on the Green

This Sunday, June 6th, 4-7 pm, all residents and owners are invited to gather on the green for an early celebration of the arrival of summertime. Bring a snack to share and BYOB.

Gather with your neighbors and a game or two of bocce and corn hole!

## Lawton Farm Alley Owners

We now have a list of shallow-root, city-approved **plants and/or shrubs** that may be planted in the Lawton

Farm back alley drainage easement.

Please be aware that the easement / planting area does not go all the way up to fences of Southside

Boulevard owners whose properties abut this area. Also, remember that you will need to water, weed, and maintain the vegetation you plant there.

Included in the approved list are:

- Ilex "Edward Stevens"
- Ilex "Nelly Stevens"
- East Palatka
- Amelanchier Arborea "Service berry"
- Sambucus viegra "American Elderberry"
- Loquat
- Azaleas

## Help with Lawton Alley plantings

Neighbors Chad and Stacy (2678) of Forever Gardens can help those who want to plant some of the suggested shrubs with the planning and purchasing. They know plants and can help create proportion and balance as this area is developed.

## BSNA Board Members

Just a reminder. Your Broad Street Board members are all volunteers who also have regular jobs, family, church and community commitments, as well as hobbies and pets.
